INNOVATIVE CONVEYOR AND ROBOTIC SOLUTIONS

Kamflex

Since 1974 Kamflex has produced more customized stainless steel sanitary conveyors and automation solutions than anyone else in the world. For over 50 years our innovations have increased production throughput, improved speed to market, enhanced quality, and increased productivity for our customers.

Kamflex is the leading international player in industrial automation, providing data analytics, OEE, design, engineering, build and technical support. Kamflex is recognized for our efficiency and reliability.

From SCARA, Delta to our 6-axis robotic arms and collaborative robots, our powerful, high-precision solutions allow us to work with clients in any industry to help tackle the challenges of Industry 4.0.

Our Customers

Kamflex service the agriculture, aerospace, automotive, food, government, healthcare, life sciences, pharmaceutical, semiconductor, transportation and other similar industries.

Strategic Partnership

Kamflex is a systems integrator of ABB, Allen Bradley/Rockwell , Fanuc, Omron, Siemens and Staubli. We brought game changing innovative automation solutions throughout the world. Our aim is to help customers increase their industrial productivity, quality, reliability or safety.

Some of our customers include Abbott, Baxter, Bimbo, Boeing, Cargill, Campbell's, Ford, General Mills, General Mills, JBT, Mondelez, Johnson and Johnson, Kellogg's, Nestle, Pfizer, Sky Chef, Toyota, Tyson, United Airlines, UPS and over 500 others

Customization Expertise

- Robot system integration
- Machine vision solutions
- Custom robot pick, pack and palletizing solutions globally
- Preventative maintenance programs
- Overall equipment effectiveness-OEE
- Real time digital layer
- Digital parts catalogs
- Inventory accuracy

Innovation

- Industrial 4.0 connectivity solutions
- Data analytics
- Custom dash boards
- Ability to control processes at customer facilities from any device
- Co Packing/Co Manufacturing capabilities
- Controls panel builder. Allen Bradley/Rockwell and Siemens preferred partner

Key Differentiators

- Kamflex is a truly global, vertical manufacturer of sanitary processing equipment for the food, life sciences, pharmaceutical and aerospace.
- We are risk adverse like our customers
- We have the scale to provide standardized single source solutions to all our customers plants
